

Higher and Degree Vacancy Listing

March 2018

The Higher and Degree Apprenticeship Listing showcases thousands of vacancies from over 40 employers starting in 2018. You can apply for many of these apprenticeships and a place at university at the same time.

Higher and degree apprenticeships are available at levels 4-7. They combine work with study and may include a work-based, academic or combined qualification; or a professional qualification relevant to the industry. Levels 4 and 5 are equivalent to a Higher Education Certificate / Diploma or a Foundation Degree; Level 6 is equivalent to a Bachelor's Degree; and Level 7 is equivalent to a Master's Degree.

Achieve a degree from some of our best universities whilst training in a top flight career. Tuition fees are paid by your employer and the government, and you learn and earn a salary from day one.
