**Coordinated Scheme for Admission to
Secondary Schools, incorporating the
admission policy for community schools**

For entry to schools in 2018-2019

CO-ORDINATED ADMISSIONS SCHEME FOR SECONDARY SCHOOL ADMISSIONS 2018/2019

BACKGROUND

Legislation requires Local Authorities (LA) to draw up a statutory scheme for co-ordinating admission arrangements for all maintained schools in its area (excluding special schools, but including aided schools and academies).

The purpose of a co-ordinated scheme is to ensure that every parent of a child living in Bracknell Forest area who has applied for a place in the normal admissions round receives an offer of only one place on the same day. Any scheme should also aim to ensure that parents are treated fairly and consistently regardless of the status of the school for which they make an application.

When drawing up admissions arrangements, admissions authorities **must** ensure that the practices and the criteria used to decide the allocation of school places are clear, fair and objective, for the benefit of all children, including those with special educational needs, disabilities or in the care of a LA including those children who were previously in care. Bracknell Forest Local Authority's admissions criteria for its maintained schools reflect these requirements. Admissions arrangements should also enable parents' preferences for schools to be met to the maximum extent possible.

MAIN DETAILS OF THE CO-ORDINATED SCHEME

- **Equal preferences**

The DfE (Department for Education) states that a co-ordinated scheme is based on equal preferences. In other words all preferences are treated as equal initially. If more than one place can be offered, the single offer will be for the school the parent/carer has ranked highest. If a place cannot be offered at any of the preference schools, then a place will be offered at the next nearest school with available spaces.

This system allows each preference that parents/carers give to be considered separately. If a child could be allocated a place at two or more of its preference schools, then the parents' ranking will be used as a tie breaker.

The scheme will not affect the duty of the Governors of Aided Schools or Academies to set and apply their own admissions arrangements. These schools will continue to be able to operate their own over subscription criteria and these **must** be clear, fair and objective and they **must** comply with the School Admissions Code.

- **Information for parents**

Information regarding the scheme and the admissions arrangements will be published in the LA's composite prospectus. This is entitled A Parent's Guide to Secondary School Admissions in Bracknell Forest for children starting at a secondary school in the school year 1 September 2018 to 31 August 2019 for children born on or between 1 September 2006 and 31 August 2007. This guide will be available on the Bracknell Forest Council's website from 12th September prior to the admissions year and hard copies will be available for those who do not have access to the internet.

- **Making an Application**

Bracknell Forest residents can apply for a place for secondary school either on line or using a Common Application Form. It must also be used if residents wish to apply for a school outside the Borough. All applications will be recorded by the home LA and then sent to the maintaining LA for each of the preference schools in accordance with the co-ordinated scheme's timetable.

If Non Bracknell Forest residents wish to apply for a Bracknell Forest school they should use their home LA form or internet access site of their home LA to apply. That request will then be transferred electronically by that Local Authority to Bracknell Forest Council by the date in the scheme.

- **Common Application Form**

All applicants living in Bracknell Forest can use the LA's Common Application Form (CAF). These forms will be available to the parents of those Bracknell Forest pupils in Bracknell Forest schools. Arrangements will also be made to ensure that parents of Bracknell Forest pupils in neighbouring LA's schools will also receive information on how to apply. Parents of pupils in Bracknell Forest schools who are not Bracknell Forest residents will receive secondary information from their home local authority.

The form will allow parents to name three schools and parents are encouraged to do this. Parents will be asked to rank their preferences. It will also allow them to give reasons for each preference, referring these to the admissions criteria.

Any Supplementary Information Forms issued by an Aided School or an academy can either be returned to the school or to Bracknell Forest School Admissions Team. These forms are available on the Bracknell Forest Council's website, the school website or on request from the School Admissions Team.

Applications made on the Bracknell Forest Common Application Form for children within a Bracknell Forest primary school may be returned to the child's current Bracknell Forest primary school by 31 October 2017. The primary school will forward the form on to the LA's School Admissions Team.

Bracknell Forest parents whose child attends a school in another LA and who wish to submit a paper application, can return their form either to their child's current school or directly to the Bracknell Forest School Admissions Team by 31 October 2017. Bracknell Forest parents whose child attends an independent school will need to send their application form directly to Bracknell Forest School Admissions Team by 31 October 2017 or apply on line.

If applicants wish for one or more of their preferences to be considered under the designated area criteria then they will have to send in a copy of their current council tax statement with their application in order to prove their residency. If an applicant does not have a copy of their council tax statement then they should contact their council tax office to obtain a copy. Service families should refer to the General Information section below. Service families should refer to the General Information section below.

- **On Line Applications**

Parents can also complete an on-line application. Parents will be able to apply for a secondary school place on line via the Council's website. The site will be open for applications from 12 September to midday on 31 October 2017..

If applicants wish for one or more of their preferences to be considered under the designated area criteria then they will have to send in a copy of their current council tax statement with their application in order to prove their residency. Service families should refer to the General Information section below.

If non Bracknell Forest residents wish to apply for a Bracknell Forest school they should use their home LA form or internet access site of their home LA to apply. That request will then be transferred electronically by that Local Authority to Bracknell Forest Council by the date in the scheme.

- **Applications for Voluntary Aided Schools or Academies**

Academies can prepare a Supplementary Information Form (SIF) to be completed with the on line application/common application form if they require further information in order for them to allocate places at their school against their admissions criteria. Governing Bodies of academies and the Local Authority will make the SIF available to parents/carers both in hard copy and as a document on their school website. The forms will be available from and can be returned to either the individual schools or the Local Authority.

The LA will process all the applications for the academies and then transfer the information electronically to schools. On line applicants who name a school that may require the completion of a SIF will be prompted by the system to complete and return the form in addition to their on line application if necessary.

The Governing Bodies of academies will need to meet within the timescales defined in the scheme in order to advise the LA of their ranking of their applications. The LA will require the Governors to produce a brief statement which will explain to applicants (and future appellants) how and why places have been ranked. The LA will make this statement available on their website. Hard copies can be request for those who do not have access to the internet.

- **Applications made after the closing date of 31 October 2017**

- **Late Application**

Where it can reasonably be assumed that an application could have been made by the closing date of 31 October 2017 the application will be processed by the School Admissions Team in the second round which begins on 15 March 2018.

- **Moving into Bracknell Forest**

Where it can reasonably be assumed that an application could **not** have been made by the closing date of 31 October 2017 (for example if they have just moved into Bracknell Forest) but the application form is submitted before 31 December 2017 the application will be considered on time. However evidence to support the reason for the late application will be required by the Local Authority. If the application is

received on or after 31 December 2017 it will be processed in the second round which begins on 15 March 2018.

- **Moving within Bracknell Forest**

If parents move house within Bracknell Forest after the closing date of 31 October 2017 and before 31 December 2017 they must contact the Local Authority to discuss any changes they may be able to make to their preferences. They will be accommodated if at all possible. If parents move house after 31 December 2017 the request will be processed in the second round which begins on 15 March 2018.

OVERSUBSCRIPTION CRITERIA

Within Bracknell Forest there are 6 secondary schools. Of these, two are academy schools and set their own admission criteria. The remaining four are community schools and the LA sets the admission criteria for these schools. The criteria for all of these schools can be found in the 'Guide to Secondary Admissions within Bracknell Forest', on the Bracknell Forest Council's website or from the school. However to make an application for any school (including schools outside of Bracknell Forest) they must be listed as a preference.

In circumstances where more applications than places are received for Bracknell Forest maintained schools the following criteria will be used.

- **Oversubscription Criteria Bracknell Forest community schools:**

Bracknell Forest is the admission authority for community schools and sets the oversubscription criteria.

The following criteria apply to these four Bracknell Forest community schools:

Easthampstead Park School
Edgbarrow School
Garth Hill College
Sandhurst School

Children with a Statement of Special Educational Needs or an Education Health & Care Plan that names a specific school must, by law, be admitted to that school. After this requirement has been satisfied the following rules will apply:

- (A) Looked After Children¹ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted² (or became subject to a child arrangements

¹ A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

order³ or special guardianship order⁴) immediately following having been looked after.

- (B) Children who have either medical or social grounds for admission to a particular school. This evidence must set out the particular reason why the school in question is the only suitable school and the difficulties caused if the child had to attend another school. The LA's decision in these matters is final.
- (C) Children who live in the designated area of the school.
- (D) Children who have brother(s) or sister(s) at the school, and who will still be attending school at the time of the applicant's admission. This will be checked as necessary before an offer is made. These siblings include children living as siblings in the same family unit and at the same address as the child and for whom the applicant has parental responsibility.

Children must be living in the designated area at the closing date of 31 October 2017 to be considered under these criteria.

In some cases a tie-breaker will be required. If a school does not have places for all the children in one of the above criteria, priority will be given to children who fulfil a combination of higher admission criteria. The combination of criteria will follow the same order of priority as the basic list of criteria. (eg. an applicant who fulfils designated area and sibling will take precedence over one who fulfils just designated area).

After this, if there are still insufficient places, and no distinction can be made between the applicants or if they do not fulfil any of the above criteria, a final decision will be made on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem. The way in which this is done is to calculate the distance in metres between the Easting and Northing co-ordinates for each location. The measurement in metres is then multiplied by 0.000621318 to convert this measurement to miles. The same method of calculation is used for each direct distance measured.

If in the event that two or more children live at the same distance from school (for example for families living in flats) and there are fewer places available then random allocation will be used to decide which child will be allocated the remaining place(s). The process will be drawn and scrutinised by people who are independent of the Council.

³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

As soon as all applications have been received, including those submitted on line and from outside Bracknell Forest, the LA will consider all applications equally for its maintained schools and apply the admissions arrangements as published.

- **Academies**

Within Bracknell Forest there are currently two academy secondary schools. Own admission authority schools set their own admission arrangements and can also prepare a Supplementary Information Form (SIF) to be completed if they require further information in order for them to allocate places at their school against their admissions criteria. The form can be found on either the school's website, the council's website or from the school direct and can be returned to either the school or the LA by the required deadline to be considered as part of the application process.

The academies within Bracknell Forest are as follows:

Ranelagh Church of England Academy School
The Brakenhale School

The follow academy is planned to open in Bracknell Forest

King's Academy, Binfield

FAITH BASED SCHOOL WITH A RELIGIOUS CHARACTER

A faith-based school with a religious character is required to offer every child who applies, whether of the faith, another faith, or no faith, a place at the school if there is a place available. However, faith-based schools are popular and often over subscribed. Such schools are permitted to use faith-based oversubscription criteria and allocate places by reference to faith where the school is oversubscribed.

THE ALLOCATION PROCESS

- **The allocation process – Bracknell Forest schools**

As soon as all applications have been received, including those submitted on line and from outside Bracknell Forest, the LA will consider all applications equally for its maintained schools and apply the admissions arrangements as published.

Offers will be sent to parents by their home LA on 1 March 2018. The home LA will advise all parents of the result of their application. If they have been refused a place at one of their preference schools they will be informed of the reasons for refusal and the details of how to make an appeal. Parents will be required to accept their offer of a place by 15 March 2018. Failure to do this could result in the offer being withdrawn. Parents will also be required to send a copy of their child's birth certificate at this time to the School Admissions Team.

The Governors of an academy will make their decisions based on the information received from applicants on the common application form or on line and the SIF where necessary.

The Governors will rank all the applications for their school and advise the LA at the beginning of the spring term 2018 of the results. Their ranked list will include all on time applications. The Governors will provide a statement explaining how places have been ranked and (where appropriate) the reasons why all the preferences have not been met. This statement will be published by the home LA on 1 March 2018 on their website. Hard copies will also be available.

On behalf of the Governors of the Aided school or academy the home LA will advise all applicants of the results of their application. The home LA will advise those applicants who are refused a place of their right of appeal and of the arrangements in place for making an appeal.

If the LA cannot offer a place at any of the preferred schools then an offer will be made to the parent for a place for their child at the next nearest school to the home address of the family, this may not necessarily be their designated area school and it may be some distance from their home address.

- **The allocation process – non Bracknell Forest schools**

Parents who have applied for schools outside Bracknell Forest will be sent the results of their application by their home LA on 1 March 2018. In order to do this the maintaining LA will inform the home LA whether they are able to allocate a place at any of the preferred schools by the middle of January 2018. The home LA will then consider all the preferences and possible offers. The home LA will offer a place at the school that was ranked the highest by the parent/carer.

If the home LA cannot offer a place at any of the preferred schools then an offer will be made to the parent for a place for their child at the next nearest school to the home address of the family, this may not necessarily be their designated area school and it may be some distance from their home address.

All non Bracknell Forest admissions authorities will be expected to provide the home LA with a detailed statement explaining how places have been allocated and (where appropriate) the reasons why all the preferences have not been met in order to inform the applicant where necessary.

- **The Allocation Process - Pupils with Statements of Special Educational Needs (SEN) or an Education, Health and Care Plan (EHCP)**

Admission of SEN or EHCP pupils to school will be managed by the LA's Special Needs Team in accordance with the Code of Practice for Pupils with Special Educational Needs. The parents will be informed of their child's allocated secondary school by 14 February 2018 by the LA's SEN Team.

GENERAL INFORMATION

- **Multiple Births**

Where the LA has received applications for twins or other multiple births and when one of the siblings is the last child to be admitted the other sibling(s) may be admitted as an exception.

- **Child arrangements order (previously shared residence orders)**

It is increasingly common that parents are agreeing, and courts are endorsing, child arrangements orders (previously called shared residence orders) under Section 8 of The Children Act 1989. Further advice on this matter can be obtained from the School Admissions Team. Any details regarding shared residency, or the child's living arrangements, must be submitted at the time of application. It is the parents' responsibility to provide this information. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The School Admissions Team may take legal advice on these matters as they relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters unless this is requested.

- **Home address**

The address where the child lives at the closing date of 31 October 2017 will be used to process the application. It is for the applicant to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected then further proof may be requested. If fraud is established then any offer of a school place will be withdrawn. If a parent/carer owns a property within the Borough which they do not occupy and/or rent out and then move into another property within, or nearer to the designated area of the preferred school the address of the property they own will be the address for determining their designated area, unless the owned house has been rented out for 12 months prior to the closing date for the return of the Common Application Form.

If an applicant already owns a property within the borough which is in the process of being sold Bracknell Forest is able to accept the address of the new property on submission of the appropriate evidence in support eg exchange of contracts letter. The address must be a permanent address; temporary addresses are not acceptable. If applicants are in the process of moving house within Bracknell Forest they should contact School Admissions Team for further advice.

- **Protected Sibling Status**

Parents of children attending a school that was their designated area school at the time of processing the application but where the designated area has changed will have a protection for any younger siblings for the next six years. The younger sibling's application will be processed as living in the designated area of the same school as the older sibling is attending even though the designated area has changed.

It is the parent's responsibility to inform the School Admissions Team on their application that they fulfil this criterion. This information will then be verified by the School Admissions Team. Parents **must** enclose a copy of their current council tax notice.

The child must still be living at the address within the original designated area from where the parents applied for the older sibling. If a child's address has changed then this criterion will not be applied.

The older sibling must also still be attending the school where the protected sibling status is being requested.

Note that in all cases the normal admission process will be followed and there will be no guarantee of a place at the school.

- **Applicants from abroad**

If families are moving into the Bracknell Forest area from abroad, then they (including the child) must be resident in Bracknell Forest before an application for a school place can be accepted. Proof of residency within Bracknell Forest will be required.

- **Service Families**

Families of UK service personnel with a confirmed posting to the Bracknell Forest area (or Crown Servants returning from overseas to live in Bracknell Forest) will be able to make an application for a school place if it is accompanied by an official letter from the relevant service declaring a relocation date and a Unit postal address or quartering address.

For those who already live in Bracknell Forest or are moving to live in Bracknell Forest a formal letter from their chain of command verifying their address would be accepted if they wish their application to be considered under the designated area criteria.

- **Looked After and Previously Looked After Children**

Criteria A includes Looked After Children⁵ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted⁶ (or became subject to a child arrangements order⁷ or special guardianship order⁸) immediately following having been looked after.

If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken in to account.

- **Social Grounds or Medical Need (category B)**

⁵ A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

⁶ This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

⁷ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

⁸ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

If a child or the parent/ carer of that child has a medical condition, that is a serious chronic health condition, or a social need that would cause significant hardship or risk if the child could not attend the preferred school.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

If it is indicated on the Common Application Form that somebody wants their application to be considered on either social or medical need it is their responsibility to obtain a form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the relevant closing date. The supporting evidence should be from the relevant registered professional(s) involved with the child or family. Examples include registered health professionals, such as Consultant, GP, Psychologist, Psychiatrist; or registered social care professionals such as a Social Worker / Care Manager. Please note, evidence from childminders will not normally be accepted as sufficient evidence. All evidence must be on letter headed paper.

This evidence must set out the particular reasons why the school in question is the **only** suitable school and the difficulties caused if the child had to attend another school. This evidence must be specific to the school in question; it must show why only that school is the most suitable; what facilities will benefit the child, and why no other school can offer the same support. Where relevant this school must be the most appropriate for the family circumstances. However it will not be possible to consider an application under this criterion if no supporting evidence is supplied. The Local Authority will **not** contact professionals involved with the family as it is for the applicant to supply this information when submitting the social/medical form. The LA reserves the right to ask parents to supply further evidence or clarification where the LA considers necessary. It is important that applicants seeking to rely on these grounds provide the fullest supporting evidence they can by the closing date. It is the parent's responsibility to produce this evidence. Where further evidence is required it will need to be supplied by the closing date so that the decision can be made alongside all other applications for places at the particular school. Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the LA may apply its discretion to consider evidence submitted after the closing date. It is therefore very important to submit all relevant evidence together with the application to avoid possible delay. But in any event all the relevant evidence must be submitted by the closing date to ensure full and proper consideration.

The local authority reserves the right to apply their discretion in exceptional circumstances.

- **Appeals**

If parents have been refused a place at one or more of their preferences they will be informed of their right of appeal. All appeals for Bracknell Forest schools must be submitted by 29 March 2018. Admissions authorities will then endeavour to hear all appeals submitted by this date within 40 school days.

- **Waiting lists**

Applicants not offered a place at one of their higher preference school than that offered are placed on a waiting list. The waiting list will be constructed using the same order of priorities as set out in the admissions criteria. Parents should be

aware that their child's name can go up or down the waiting list according to the priority of new additions to the list, for example someone moving into the area is placed on the appropriate place on the waiting list. The LA will maintain the waiting lists for all Bracknell Forest maintained schools for the school year for which they have applied. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year.

The LA will maintain the waiting list for academies until 1 September 2018 after which they will maintain their own list.

- **Changes of preference**

Parents who wish to amend their paper application before the closing date will be allowed to do so as long as they put their request in writing to the Admissions Team by the closing date. Online applicants can amend their application online until the closing date.

Changes of preference after the closing date (31 October 2017) will only be allowed after 1 March 2018 in writing to the School Admissions Team and will be processed in the second round.

- **Admission of children outside their normal age group**

Parents of gifted and talented children, or those who have experienced problems or missed part of a year, for example due to ill health, can seek places outside their normal age group. If an application is received for a child outside of their normal year group the relevant admission authority must make a decision of the basis of the circumstances of each case and the parent will be informed of their right of appeal. This right does not apply if they are offered a place in another year group at the school.

Where a parent contacts the School Admissions Team with a request for their child to be admitted into a different year group than the relevant one according to their date of birth then the following will apply:

The parent will be required to put all information in writing to the School Admissions Team. It is for the parent to ensure that they have submitted all relevant documentation as no further request will be made to the parent. The paperwork must be submitted before the published closing date relevant to their child's date of birth.

If the application is for a school where Bracknell Forest is the admission authority the paperwork will be forwarded to the Principal Educational Psychologist who will advise the admission authority. This advice will then be discussed with the headteacher of the relevant school(s) and a final decision will be made.

If the application is for a school that is their own admission authority (eg voluntary aided school, academies etc) then the request and the supporting documents will be forwarded to the Governors of that school for their decision regarding the request.

The decision from all relevant admission authorities will be sent to the parent from the local authority and this decision is final.
