

Dear Parents / Carers

Football Session

Three years ago, we struggled to field one Girls Football team to represent Edgbarrow. We now have 3 teams filled with 80 plus girls representing our school. Thanks to the kind generosity of our local community, we have fantastic new football kits matching the excellent level of football developing here in school. England Football are working with the Girls' Football School Partnership to create the Biggest Football Session branded #LetGirlsPlay. This will be happening the week of 4th March 2024.

We are delighted with the high influx of Girls' Football here at Edgbarrow and, to remain in line with our inclusive community approach of Edgbarrow, we would like to invite **all students** to our biggest after school football session ever.

This will be held **on Tuesday 5th March from 3.30pm to 4.30pm** at Edgbarrow School, across the Astro and grass pitches. **All students from Year 7 to 11**, regardless of gender, are invited to come and take part in this event. Bring your shin pads and footwear, and most importantly, we would like you **to wear a football shirt of your choice**. This can be a club shirt you play for, or a premier league club shirt. Any football shirt is allowed. We look forward to celebrating football in our school with everyone.

We want to support the development of Girls' Football by having a huge turnout of football fun at Edgbarrow.

Many thanks for your support.

Kind regards
