

What is the Edgbarrow School PTA Gift Aid Scheme?

This is an opportunity to make a voluntary tax-free donation to the Edgbarrow PTA via our [Just Giving site](#) either in a single donation or, ideally, a small monthly donation for the duration of your child's attendance at the school.

In either case, the Inland Revenue will repay income tax to the PTA at the rate of 25% per year on the value of the gift.

The simplest way is to go to the Edgbarrow School website and select the Just Giving button.

Our hope is that the introduction of this Gift Aid Scheme will enable us to enhance provision for our students.

Thank you for your support
