Expeditions during COVID

Due to COVID-19 we now have some temporary flexibilities to allow schools to deliver expeditions, they may look a little different but with the same learning outcomes.

Your School/DofE centre may be adapting their expeditions based on the government guidelines and their own policies and procedures, so expeditions will vary by school/DofE centre.

Your school/DofE centre will provide you details of their expeditions plans

Assessor Reports

WHO & HOW

***YOUTH
WITHOUT
LIMITS***

Assessor Reports – Who

An Assessor can be anyone who is interested in helping a participant complete a section and achieve their Award, has some knowledge about it (although they don't need to be an expert!) and is available over the time you're doing their activity.

They **cannot be a family member** (to maintain the integrity and value of your Award), but they could be:

- A family friend
- Your DofE Leader
- A DofE volunteer or helper who helps with the group (your DofE Leader can help put you in touch)
- A teacher/tutor from school
- Another youth leader, if they belong to a youth club, Scouts, Cadets etc.
- Must be over 18

Assessor Reports – How

There are two ways to submit Assessor's Reports

1. The assessor can complete the sectional Assessor's Report Card, found in a participant's Welcome Pack
2. Alternatively an assessor report can be directly uploaded into the participant's online eDofE account via DofE.org/assessor

The assessor will need:

- The participant's eDofE ID number.
- The participant's Award level.
- The section they are assessing them for.

ASSESSOR'S REPORT VOLUNTEERING

Participant: _____
eDofE ID No: _____
Level: **Bronze**

Description of activity: _____

Date started: ____/____/____ Completed: ____/____/____ (____ months)

Goals set by participant: _____

Assessor's Report

All you need is the participant's eDofE ID number, their Award level (Bronze, Silver or Gold) and the section you are assessing them for (Volunteering, Physical, Skill, Expedition or Residential). Please ask the young person you have been supporting for these details. The young person must have entered their section details in eDofE before you can submit your report.

Your comments automatically go to the participant's DofE Leader for approval before being added to the participant's account. We ask for your email address and phone number to enable their DofE Leader to contact you should they wish to discuss your assessment with you and so we can send you a copy of the report you submit.

Thank you for supporting young people with their activities. Please read our Privacy Statement for information on how your personal information is secured.

Note: If you have a problem with the CAPTCHA code, please use a different device/network/browser and this should solve the issue. If not, please contact edofe@DofE.org.

What to include in your Assessor's Report

- Download a checklist of the information an Award Verifier will look for when reading your report. Please try to include as much of this information as possible in your report.
- Please describe the achievements of the participant as they undertook this section. Say how they met their goals, what skill they have developed and mention any memorable things that they accomplished.
- Please include the start and end dates between which the young person undertook their activity.
- Expedition Assessors: Please include your assessor accreditation number and (if applicable) the team's expedition notification number in your report.
- Download a summary of what to include in your report, and some [example reports here](#)
