Dear Parents/Carers

## DUKE OF EDINBURGH'S SILVER AWARD

Thank you for registering your interest in the Silver Walking D of E award at Edgbarrow. I am delighted to tell you that your son/daughter has secured a place as we have been able to accommodate all applications. Due to a record number of applicants the cost of the expedition package has also fallen. Please see below for details.

**Section evidence gathering.** I have had numerous queries about this already, so I thought I would clarify in this letter. You may backdate the start of any section to the 1<sup>st</sup> of September so you can be gathering evidence for activities that are ongoing or already underway even before you have received your welcome pack. If you have done the Bronze Award, you need to have finished a particular section before starting it at the higher level.

**School sessions** Participants will need to attend several compulsory after-school sessions (usually Monday 3:30 to 5pm) throughout the year as well as some lunchtime drop in sessions. Participants will be given plenty of notice about when these sessions will be held. The school D of E page will also have a calendar with all important dates.

## Package Summary

Travel to and from training and expedition locations is included in the package price

**Deposit (Due 10<sup>th</sup> October): £180**

**Full balance (Due 10<sup>th</sup> March): £425**

### **Payment Process and Paperwork to return**

The charges stated above will cover the costs of, among other things, DofE Award Membership, Training, Instructors, Assessors, Group Equipment, Camp site fees and transport. We require the deposit and paperwork by Monday 10<sup>th</sup> October. This will confirm your commitment and place on the D of E scheme. For those that chose the optional personal kit, we require an additional £10 payment

We would ask you to use the online payment system to pay this if possible. If you have already created an online account, please use this as normal. If you have not already created an account, you should have received a letter with your pupil link code and guidance on creating the account. If you need a copy of this, please email [finance@edgbarrowschool.co.uk](mailto:finance@edgbarrowschool.co.uk) for a copy. If you do not use online banking, or prefer to pay by cheque, please would you make the cheque payable to Edgbarrow School and write your child's name and 'Silver Walking D of E' on the back.

Please fill out the following forms and return to school with payment by **Monday 10th October**.

- a) Confirmation of payment (form at end of this letter)
- b) Medical and Consent Form
- c) D of E Enrolment form
- d) Expedition Wales consent form

### **What happens next?**

We will be holding a parents and participants' information evening on Tuesday 11<sup>th</sup> October from 6:30pm – 7:15pm in the Sixth Form building.

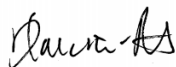

Firstly, there will be an informative presentation by the expedition company about the challenges and training that lie ahead. This will be followed by a presentation by a member of Edgbarrow staff on the physical, skill and volunteering sections – what activities you could do and how best to gather evidence. Staff will then be available to answer any questions. Expedition Information packs that will help you support your son/daughter to prepare for the expeditions will be sent out by email in November.

After the information evening, participants will be enrolled onto the electronic DofE system known as eDofE and will receive an email to inform them of how they can login (unless they have previously undertaken Bronze in which case they will use their existing login). We would encourage participants to complete the previous level first if it is unfinished. Welcome packs will be distributed in mid-November when eDofE introduction and setup sessions will be arranged at school. However, you don't have to wait until then to log in, setup and explore.

For future reference, all correspondence and application forms are also available on the school D of E webpage which is accessible from the Students tab of the main page. The DofE.org website is also a useful resource for resolving commonly asked questions.

I look forward to seeing many of you and many of our new participants at the information evening.

Kind Regards

Duncan Laurie-Pile
